

Katie (Key G)

G Bm
Tumbling curls of green
C Am
By stained glass streaming light
C D G Bm
And a yellow coloured lampshade
C D
Used to keep us up all night
G Bm
And the smile upon your face,
C Am
A tear upon your cheek
C D G Bm
And the night sky on the window
C D
Your heart calling out to me

Chorus

G Bm
Come running home again Katie,
C Am
Come running home again
C D G Bm
Cross my heart and hope to die,
C D
Shall I cause another tear from your eye?

The mirror that won't talk
And your nightgown on the door
The old pedal singer
Just won't sing no more
You can roll the reel for hours
From the movie from this book
It's a question mark upon this heart of mine
Sends an elder back to look.

Now I'm looking through a tunnel
Back into this room
With the genius of the Druid
When the sunlight floods the tomb
And I'm never going back there,
I wouldn't any way
Cause though I made the great escape,
I never got away
