

I Wish I Had Someone To Love Me

Chorus

D D G D
I wish I had someone to love me,
D D A A
Someone to call me their own,
D D G D
Someone to sleep with me nightly,
G A D D
I'm weary of sleeping alone.

D D G D
Meet me tonight in the moon- light,
D D A A
Meet me tonight all alone;
D D G D
I have a sad story to tell you,
G A D D
I'll tell you it under the moon.

Chorus

I'll be sent to the new jail tomorrow,
Leavin' my darlin' alone,
With the cold iron bars all around me,
And my head on a pillow of stone.

Chorus

Tonight is our last night together,
The nearest and dearest must part,
The love that has bound us together,
Is quickly being torn apart.

Chorus

I have a large ship on the ocean,
All laden with silver and gold,
And before my poor darlin' will suffer,
That ship will be anchored and sold.

Chorus

I wish I had wings of a sparrow,
For those prison walls I must flee;
I'd fly to the arms of my true love,
And bring her home safely to me.
